Faith 5 will be discussed in the parenting meeting, is outlined in the Head to Heart journals and in other places. You can also find more info here: <http://www.faithink.com/Inkubators/f5.asp>

What is the FAITH5™?

There is a simple faith practice built into the core of every Faith Inkubators system, resource, curriculum and product. It is called the FAITH5, or Faith Acts In The Home. The FAITH 5 connects church to home, faith to life, and parents to kids in a powerful way. The five steps of the FAITH5 are:

Step One: Share highs and lows. Name something good and bad you experienced today. Can't think of a personal one? Check out the headlines from the news and teach empathy and compassion for the broader world.

Step Two: Read a verse from your Bible. (Each Faith Inkubators curriculum includes suggested verses that kick off at church and go home for families to explore every night.

Step Three: Talk about how the verse relates to highs and lows. Unpack the verse a bit. What does it mean in your own words? How might it relate to where you are today in your highs and lows?

Step Four: Pray for one another's highs and lows, for your family, and for the world. Simply talk to God, thank Jesus for the good, and ask the Holy Spirit for guidance in specific problems.

Step Five: Bless one another. Trace the sign of the cross on one another's forehead or palm as a reminder that you belong to God and to one another.
